

# PhysioSquamish

minakavia

Squamish Physiotherapist and Acupuncturist, Mina Kavia's combination of extensive training allows her to utilize tools from both western and eastern medicine to restore health and wellness. She serves people recovering from injury or rehabilitating after surgery as well as people with sports-related and everyday ailments such as back pain, neck pain, shoulder injury etc.

" My goal is to continually understand and work with patients to not only find the root of pain and dysfunction but also to explore new tools of intervention that can accelerate healing. " ~ Mina Kavia

Mina is a registered Physiotherapist and Acupuncturist. She offers a variety of healing treatments in her warm and inviting quiet garden studio, located on Hospital Hill in Squamish BC. Each client receives a customized and targeted, rehabilitation program. Mina combines a range of techniques such as intramuscular stimulation (IMS), acupuncture and physiotherapy, as well as manual therapy, facial massage and release.

## WHY MINA

2015 Smoke Bluff Road  
Squamish, BC V0N3G0  
(604) 389-9768

## RATES

Please visit my [Book Online](#) page to see prices and availability.

Payment is in the form of Cheque or Cash only. Most plans cover a portion of your physiotherapy and or acupuncture treatments. Some plans may require a Dr. referral, however majority do not. You can request receipt as acupuncture or physiotherapy as I am registered with both. Please note that I do not accept WCB, MSP and ICBC. You can pay privately and submit a receipt to any third party group.
